**Material:** .187 steel wire, nickel chrome plating, made in USA.

**Dimensions:** Frame 6 1/2" tall, 2 3/4" wide, with a 2 1/8" wide hook extending 1 1/2" down, bottom of frame extends out 3" and has a connecting feature. One square ring 6 1/4" x 6 1/2". Weighs 8 oz.

**Description:** A hanger to hold hotel pans to maximize service area space, vertical storage space, speed and sanitation in kitchens, restaurants, catering, party and retail environments.

**Product use:** The product is used to stack hotel pans for vertical storage, clearing shelf space for other usage. Attach to cooking lines to hold utensils or sauces to add speed and sanitation to the process. **Also holds scrub pads on the sink and ice scoops in ice bins for sanitation.**

**Benefit:** Adds vertical storage space to kitchens, provides point of service speed, convenience and sanitation. Throw in dishwasher to clean.

"I gave them to my staff and they went crazy. They used them everywhere! We love 'em!"

**David Abrahams**  
Chef/Owner  
Redwater Café  
Waimea, Big Island

**Material:** .187 Steel wire, nickel chrome plating, made in USA.

**Dimensions:** Frame 6 1/2" tall, 2 3/4" wide, with a 2 1/8" wide hook extending 1 1/2" down, bottom of frame extends out 3" and has a connecting feature. Each ring has a 5" inside diameter. Weighs 8 oz.

**Description:** A hanger to securely hold bottles or **Bain Marie** pans to maximize cooler space, provide easy service, vertical storage and prevent spills in restaurants, bars, kitchens, catering, keg parties and displays.

**Product use:** The bottle holder maximizes space in beer coolers, walk-in coolers, catering/banquet functions, keg parties, cook lines, ice bins, sinks and for retail displays. Three holders can be hung vertically on a beer keg in a 5" wide space. Product safely holds bottles from 750 ml to 1.5 ml and even a large tomato can to provide easy access and avoid spills. It also holds the 2 qt. Bain Marie pan for use in kitchens to hold sauces or utensils on the line! Great for holding scrubbing pads when attached to the sink, or ice scoops when attached to the bar ice bin.

"Space is everything behind the bar. These bottle holders created space where there wasn't any."

**Matt Tomlinson**  
Owner  
Dolphin Spit Saloon  
Kailu Kona, HI

**Benefit:** Maximize cooler space, point of service speed, vertical storage, sanitation and displays. Throw in dishwasher for cleaning.
